

**MINUTES OF MEETINGS AT ST JUDE'S CHURCH, DURAL  
1925 - 1941**

**EXPLANATORY NOTES  
(By MARK SUTHERLAND-HARRIS)**

I have transcribed the Minutes of meetings held at St Jude's Church, Dural, from 31 January 1925 to 18 February 1941, as written in a Minutes Book held at Dural. In addition to the Minutes, I have also prepared the following documents:

Chronological list of meetings and items of interest mentioned.  
Alphabetical list of the main people mentioned in the Minutes.

**MINUTES BOOK 1925-1941**

Rev Thomas Knox became Rector of Castle Hill parish at the beginning of 1925, in succession to Rev W.J. Roberts. At his first meeting of St Jude's Church Committee in January 1925 he noted the need for a new Minutes book and Service Register. The previous Minutes book had ended with the Annual Vestry Meeting held in April 1923. From the minutes of the 1925 Annual Vestry Meeting, it appears that no minutes were taken in 1924 (when there was probably no Rector in office), or they have been lost.

**SERVICE REGISTER 1925-1954**

The Service Register starts in April 1925 (the then beginning of the church financial year). It shows the clergyman who took each service, the collection, and the number who attended Holy Communion services (usually monthly). The average number in this period averages 15-20. Up to 1937, services were normally taken by the Curate, with the Rector typically taking a Holy Communion service once a month. Sunday service times varied over the period but tended to alternate weekly between a mid-morning and an afternoon or evening one. From 1938, by which time Dural had become a Provisional Parish, most services at St Jude's were taken by the new Rector.

**MINUTES OF MEETINGS**

In 1925, St Jude's Church, Dural, was still a branch church of Castle Hill Parish but was clearly the main church of the "Dural end of the parish". Dural elected a representative to attend Castle Hill Parish Council. From 1925-37, the meetings minuted consist of St Jude's Church Annual Vestry meetings, St Jude's Church Committee meetings and occasional wardens' meetings. From December 1937, the meetings are of Dural Parish Council as well as Annual Vestry meetings of the new parish.

In the previous 50 years parish administration had been dominated by the Best, Moore and Fuller families. In the period starting 1925, Roy Best was a warden throughout but he was the only male member of the Best family to continue to play a leading role. Mrs Rhoda Moore continued to be a presence until she died in 1932. Edward Fuller, who had been a warden since he was a young man in the 1880s, continued to lead the branch church until shortly before his death in 1938 at the age of 82. The Parish presented him with an illuminated and framed address (now hung in the vestry of St

Jude's) not long before he died. Miss Fuller, Edward's unmarried daughter, was very active throughout this period until she moved out of the district in 1940.

The newer names who took a leading part in church administration in this period include Thomas (until 1931), Blake (1927-38), Blaxland (1932-37), Ramm (from mid 1930s) and Roden. This period particularly represents the beginning of the Tom Roden era, dating from 1932 when, at the age of 31, he took over the pivotal position of Secretary and Treasurer. After this period he was a churchwarden for many years until 1972.

The period 1925-37, as recorded in these minutes, was relatively uneventful in Dural. The Depression is not mentioned, but the drought and the bush fires of 1939 are. The Parsonage or Rectory cottage, which was built in 1900-02 and was situated between the church and the Parish Hall, was often in need of running repairs. In 1929 the cottage ceased to be used as the Curate's residence, and was rented to the NSW Government as a post office and dwelling for the postmaster, who happened to be Thomas Roden. This continued until 1941 when the Archbishop started to agitate for its reversion to parish use.

A major change occurred in 1937 when Dural became a Provisional Parish, with branch churches at Kenthurst, Annangrove, and Arcadia. The first Rector was the energetic Rev Ronald O'Brien, then a young bachelor with sufficient private means to own a car. He lived in a cottage he rented at 160 Arcadia Road, not far north of the Arcadia oval. By the end of 1938 he had organised the building of Emmanuel Church at Galston and he even worked on its construction. He also initiated the erection of the stone wall and lych-gate on Old Northern Road at St Jude's, Dural, in 1938. At the end of this period in 1941 a new church was being planned for Glenorie.

On the social history side, electric lights were installed in the Parish Hall and Church in 1938 and mains water was connected to the post office building (Parsonage/Rectory) in 1939. The bush fires of January 1939 are mentioned in connection with damage done to fences at the church and Cemetery. World War II is not mentioned explicitly but after September 1939 Parish Council meetings took place every few months rather than monthly.

Postscript:

Rev O'Brien's tenure as Rector was suspended in May 1942 when he joined the armed services as a chaplain and saw service in Papua New Guinea. He resumed duties at Dural in March 1946 in time to organise the centenary celebrations of St Jude's Dural in November 1946. Dural became a full Parish in December 1947. Rev O'Brien left Dural in 1949.

### **Minutes of the Meeting held in the Parsonage, Dural, on Saturday 18<sup>th</sup> Dec. 1926 at 3 p.m.**

Present. Revd Knox chairman, Revd Smith, Messrs Geelan, Halligan, Russell, Thomas, Rivett, Martin and the Secretary [T. Roden]. The Rector opened the meeting with prayer. The minutes of the previous meeting were read and adopted.

The Rector made sympathetic reference to Mrs Fuller's illness<sup>17</sup> and the Secretary was instructed to convey the sympathy of the meeting to Mrs Fuller.

Revd Smith's elevation to Priest's Orders. The Rector then spoke of Revd Smith's elevation in the church to Priest's Orders and congratulated him. He said it was some time since Dural had a curate in full orders. He moved a hearty vote of congratulations which was seconded by Mr Geelan and carried unanimously.

Chief business of Meeting. Rev Knox now explained to the meeting the chief business. He outlined a proposition whereby Dural should become responsible for the financial affairs of this end of the Parish, each centre to pay monthly to Dural, and for Dural then to be responsible to Castle Hill for the full amount due. His idea would save a good deal of bookkeeping in Castle Hill and would allow of a closer check being kept on the finances, and would also ease the financial burden borne by Castle Hill. As the position now stood, many of the centres only paid in quarterly, and as the H.M. [Home Mission] Society would not release their monthly cheque until covered by the Parish, it could be seen that Castle Hill was almost always working on an overdraft.

The Rector also pointed out that the Riverstone end of the Parish was preparing a petition to the Archbishop for secession<sup>18</sup>. This would mean the loss of Rouse Hill from the Parish, and consequently a large financial loss. The churches at Baulkham Hills had voluntarily agreed to raise their quota sufficiently to guarantee the Rector's salary. It could therefore be seen that Castle Hill would no longer be in a position to help Dural. The Rector also mentioned an amount of £250 to be paid to the Curate for the next church year, this amount to include travelling expenses. He said that the payment of a lump sum was more satisfactory than that in the past of paying small amounts to the Curate at different times as the money was raised. Mr Martin agreed with the Rector's remarks covering the payment of a lump sum, as with the old method the exact position was never known. He also agreed with the proposition of making Dural responsible for this end of the Parish, but he did not know whether the quota could be raised sufficiently. Mr Geelan thought that Castle Hill would still have to help this end, as Castle Hill was increasing, whereas the church people of this end were decreasing.

It was then agreed after discussion to leave the matter in the wardens' hands to allow them to approach people with the view of enabling them to see if the quota of their centres could be raised sufficiently.

<sup>17</sup> Mrs Sarah Fuller (born ca 1855), wife of Edward Fuller, died on 28 December 1926 and was buried the next day in St Jude's Cemetery. The dedication service for new Communion rails and paneling installed in St Jude's Church in her memory, was held on 25 August 1929.

<sup>18</sup> The name of the Parish changed on 24 May 1928 from St Paul's, Castle Hill with Christ Church, Rouse Hill, to St Paul's Castle Hill with Holy Trinity, Baulkham Hills and St Jude's, Dural.

## **MINUTES OF MEETINGS AT ST JUDE'S CHURCH, DURAL 1925 - 1941**

Bank Overdraft. The Rector then spoke of Dural's financial position and the various extraneous expenses that had had to be met during the year, and suggested that an overdraft to the extent of £50 be obtained from the Bank to enable Dural to carry on to the end of the church year. Some of the members were opposed to an overdraft but after discussion it was decided to obtain the overdraft, Revd Smith agreeing to obtain the signatures of those willing to sign the necessary forms.

There being no further business, the meeting closed with the Benediction.

### **Minutes of a Wardens Meeting held in the Parsonage, Dural, on Tuesday the 22<sup>nd</sup> March 1927 at 8 p.m.**

Present: Revd Knox chairman, Messrs Fuller, Thomas, R. Best, Secretary [T. Roden].  
The Rector opened the meeting with prayer.

The Chairman said the main business of the meeting was to discuss the position arising out of the projected departure of Revd Smith [Curate]. At the present time it was impossible to obtain an ordained man to reside in Dural, therefore this end of the Parish would have to be worked each Sunday by a Student [Minister]. The meeting agreed that this would entail a great deal of extra effort for the Rector, and thought that he should receive some compensation from this end of the Parish. After discussion, the Rector suggested that £150 per year should be paid to Castle Hill, to be allocated as follows: Student £65, Rector £52, Student's expense £33. The foregoing suggestion was put in the form of a motion by Mr Fuller, sec by Mr Best and carried, subject to ratification of same by the other centres at the Easter meeting.

Parish Sulky. The Rector spoke of the need of a conveyance for the use of the Student. He said that a sulky was under offer to the Parish in very good order for £8, which was considered good value. Proposed by Mr Fuller, seconded by Mr Best, that Mr Thomas be asked to see sulky under offer, and to purchase same if suitable. Carried. The Secretary was instructed to write to the Sectrys of Arcadia, Galston, Kenthurst, & Annangrove, asking them if they would each contribute £2 to complete the purchase of the sulky, as Dural had recently been under heavy expense with the erection of a new tank at the Parsonage, etc.

Envelopes. It was also agreed to continue with the envelope system, but as the Rector pointed out the heavy cost of printing, a motion was moved by Mr Thomas, sec by Mr Fuller, that 1000 plain envelopes be purchased at a cost of 5/-.

There being no further business, the meeting closed with the benediction.

Finances. The Rector said that this year Dural would be responsible for £65. He also mentioned that each centre was going to pay into Dural their quota monthly & Dural would be responsible to Castle Hill for the full amount. It would mean a great saving for the Sec[retary] & Treas[urer] at Castle Hill. The quota for the present month would be £14.11.8 and each successive month £12.10/-.

Assessments. The other assessments would be H.M.S. [Home Mission Society] £2/-/-, Diocesan Assmt £2/-/-, Insurance £4.6/-, Lenten Boxes 3/-.

Parish News. The Rector then dealt with the question of whether it should be abolished, as Castle Hill had to pay a large amount for printing, and in some of the centres many copies were not accounted for. Mr Fuller said that he hoped that the News would still be carried on as he knew that it was looked forward to by many. He moved & Mr Thomas sec that Dural be responsible for 25 copies. Carried.

Sec & Treas. Moved by Mrs Moore sec by Mrs E.E. Best, supported by Mr Fuller, that Mr [Thomas] Roden be appointed Sec & Treas[urer]. Carried.

Balance Sheets. The church balance sheet, Sunday School balance sheet, and report re Burial Ground were then read. The Rector in rising to move that they be adopted, pointed out that the overdraft with which the year had been commenced had very largely been liquidated by the special appeal made at the 82<sup>nd</sup><sup>21</sup> Anniversary of the church and the good result of the Parish Tea. He also mentioned the sale of the Horse & Sulky, pointed out that although the price was not large it was the best obtainable. The Rector also said he was pleased to hear that the Sunday School had improved. The motion was seconded by Mr Fuller and carried. The formal motion that the balance sheets be printed was proposed by Mr Fuller, seconded by Mrs Moore.

Proposed by Mrs Moore seconded by Mr Roden that the Sunday School donate the books and also purchase a broom for use at the Hall. A hearty vote of thanks was proposed by Mr Fuller and seconded by Mr Thomas, to the organist, Miss Branz, and the members of the choirs for their services during the past year. The Rector moved a vote of thanks to the church wardens and committee, also to the ladies and members of the Girls Friendly Society<sup>22</sup>. He said that the success which had attended the numerous efforts was largely due to the ladies & G.F.S. in conjunction. The Rector also thanked the Sunday School teachers for their work. Finance. The attention of the meeting was directed to the rather parlous state of the Church finances and it was questioned as to whether St Judes could continue to maintain a Curate. The difficulty of raising funds by way of extraneous effort was stressed. The Rector outlined a scheme of direct giving which had been instituted at Castle Hill with considerable success. It was finally resolved such a system of direct giving be put into operation at St Judes, the offering to be brought in on the last Sunday in May.

The Rector suggested a scheme which might be put into operation, whereby certain duties would devolve on various members of the congregation. The suggestion was adopted and the following roster and duties drawn up.

Thompson acknowledging letter of condolence on the death of her husband; III From Parish of Castle Hill acknowledging final payment a/c assessment; IV From H.M.S. [Home Mission Society] with acknowledgement of Advent Sunday collection. V Return thanks from Mrs Deaman<sup>55</sup>.

The Chairman made sympathetic reference to the passing of Mr Deaman who represented Galston on the Parish Council. Mr O'Brien referred to Mr Deaman's long association with the Church at Galston and the great assistance which Mr Deaman had rendered to the speaker during his incumbency. The sympathy of the meeting was expressed to Mr Deaman Jr by members standing in silence. The correspondence as read was received.

An estimate of the position as it would appear at the 31.3.40 showed an apparent debit balance of 10/1. Repair Fund Credit balance £6.11.3, Cemetery Trust Credit balance £36.0.5. The financial statement was received and adopted.

The postal dept desired to renew the lease on the same rental basis. Mr Parr moved and the Secretary seconded that the Church Property Fund be informed that if a renewal of the lease was agreed to, the rent should be increased from 25/- to 30/- per week. The opinion was expressed by the Chairman and Mr Parr that as water and light had been installed in the building during the currency of the present lease and sundry repairs effected that an increase in the rent was justified. Mr O'Brien stated that each of the other centres had agreed to the suggestion and the question was now before the meeting. After some discussion it was resolved on the motion of Mr Ham, seconded by Mrs Bushell that the money loaned to the Galston church from the Cemetery Trust be now converted to a gift to be used towards the completion of the debt on the Church at Galston.

So far no reply had been received. The question was then raised as to whether the church could loan sufficient money to build a post office and dwelling on the piece of ground on the Southern side of the Parish Hall.
